

Tara Ploeger was a vivacious teenager who loved her family, school, and community. She served young and old in her jobs as a daycare worker, volunteering at the elementary school, and in working at Country Mart and the Sabetha Hospital.

A memorial scholarship was created to honor Tara after she was killed her senior year of high school. Our goal is to raise funds for the Tara Ploeger Memorial Scholarship, which is awarded annually to Sabetha High School students.

The goal is to raise the final \$5,500 to fully endow the scholarship this year.
